MERGERS AND ACQUISITIONS EBOOKS 2019

Author: Stephan Bergamin u0026amp; Markus Braun

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

This book brings home the message that meticulous integration management is the key to success in Mu0026amp;A transactions. Half of all Mu0026amp;A transactions are unsuccessful because many companies embarking on a merger neglect this key success factor. Based on 30 years of experience of corporate mergers and acquisitions as well as the subsequent implementation of growth strategies, the authors have developed a practical manual that helps managers optimize and streamline their growth strategy using persistent integration and transformation management. The book provides first-hand accounts of Mu0026amp;A transactions that the authors led or were involved in, assessing each case from an insider perspective and outlining the key success factors and pitfalls. It concludes with practical checklists including the most relevant topics for each individual step toward successful integration.
