How important is a choice? Lycan wasn't a word I had ever known before. It certainly wasn't a part of my every day vocabulary. Neither were words like "Witch" or "Vampire". I had thought of "werewolves" as simple Hollywood creations. Nothing could have prepared me for what I found in Adamsville. Enter Wolfgang. Tall, dark, and handsome in every way a girl could ask for. Did I expect to find love in a small town in the middle of nowhere when I wasn't supposed to be here? No. Was I glad for it? Yes. No matter what happened, I knew that the only way to get through all of it was to have Wolfgang at my side. Through battles with Witches, heartbreak, and every other pain I had never known, he pulls me through. But can he keep me alive?
