VANISHING TRICK EBOOKS 2019

Author: George W. Parker

Realese Date: Expected @@expectedReleaseDate@@

VANISHING TRICK How smart is too smart? In the near future a device to make people smarter is stolen from its inventor, a mathematician called B. He realizes there is a plot to take over the US Government using the device. The military wants to use it to create a junta. Disaffected members of the government are after it as a tool to control the population. And corporate American wants a commercial a piece of its additive powers. With the help of his girlfriend, her US Senator father, and the power of the device B fights to undo the work of his invention in a multilayered suspense story from our future.
